

Ofgem indicators publication timetable

April - June 2024

Updated 26/03/2024

Ofgem is a leading provider of independent, impartial and authoritative data on the energy market and its performance for consumers.

We regularly publish and update data on how the retail and wholesale markets are working on our [Data Portal](#).

Ofgem's energy indicators publication timetable for 01 April 2024 – 30 June 2024 is provided below.

- Going forward, the timetable will be updated quarterly, or more frequently if publication dates need to be revised.
- The next scheduled timetable update will be on 27 June and will cover 01 July 2024 – 30 September 2024.
- The timetable may be amended to include new charts or remove those that are no longer being produced.

All indicators will be published on the [Data Portal](#) on the Ofgem website by 10:30am on the day of the release.

For further enquiries please email chief.economist@ofgem.gov.uk.
